

Hudson Falls Primary School And Kindergarten Center

February 1, 2008

Dear Parents,

Do you have a child at home who will be four years old on or before December 1, 2008? *Do you know someone in our district who does?* If so, then your child may be eligible to participate in the district's UPK (Universal Pre-kindergarten) program this fall. Please see the attached form and flyer. If you are interested, please fill out the pre-registration form and return the form to the Kindergarten Center before April 9th! Then, you will be eligible for the special UPK lottery that will be held on April 21st.

We will be running morning and afternoon programs for preschoolers at the Kindergarten Center. We expect to provide transportation to and from school for both the morning programs and the afternoon programs. There will be a teacher and an assistant for each class. The programs will run every day that the Kindergarten Center is holding classes. The lottery will be used to select those children who will be in the classes.

If you are interested, please complete the form and return it to the Kindergarten Center right away. Or, pass the form along to a friend or relative that has a child born between 12/2/2003 and 12/1/2004.

If you have any questions, call the Kindergarten Center at 681-4500.

Sincerely,

Michael D. Freebern
